Claims made

Directors and Officers Liability Insurance policies are underwritten on a "Claims Made" basis. This means that;

1. In order for a claim to qualify for indemnity a policy must be in force when the claim is first made against you. (In terms of the policy conditions you are obliged to notify Insurers as soon as you become aware of any circumstances which may lead to a claim. Any actual claim which then materialises would be deemed to be a claim under the policy which was in force at the time when the circumstance was first notified).
2. The cause of action giving rise to the claim must have taken place on or after the "retro-active date" shown in the Schedule of the policy.
3. If the policy has lapsed there will be no cover notwithstanding the fact that the policy may have been in force at the time when the cause of action occurred giving rise to the claim. It is therefore important to renew the policy annually. If the practice ceases it is recommended that run-off cover be taken for a minimum of three years.

Retro-Active date

The date on or after which any claim against you will be indemnified in terms of the policy. This date is normally fixed as being the date on which the cover was first taken and would remain unaltered for the purposes of subsequent renewals. When cover is first taken additional retro-active cover may be offered by Insurers subject to certain conditions and premium loadings.
