Claims made

Security Liability Insurance policies are underwritten on a "Claims Made" basis. This means that;

In order for a claim to qualify for indemnity a policy must be in force when the claim is first made against you. (In terms of the policy conditions you are obliged to notify Insurers as soon as you become aware of any circumstances which may lead to a claim. Any actual claim which then materialises would be deemed to be a claim under the policy which was in force at the time when the circumstance was first notified).

The cause of action giving rise to the claim must have taken place on or after the "retro-active date" shown in the Schedule of the policy.

If the policy has lapsed there will be no cover notwithstanding the fact that the policy may have been in force at the time when the cause of action occurred giving rise to the claim. It is therefore important to renew the policy annually. If the practice ceases it is recommended that run-off cover be taken for a minimum of three years.

Retro-Active date

The date on or after which any claim against you will be indemnified in terms of the policy. This date is normally fixed as being the date on which the cover was first taken and would remain unaltered for the purposes of subsequent renewals. When cover is first taken additional retro-active cover may be offered by Insurers subject to certain conditions and premium loadings.

Declaration

I/We declare that the statements and particulars in this proposal are true and that I/ We have not misstated or suppressed any material facts. I/We agree that this proposal, together with any other information supplied by me/ us shall form the basis of any contract of insurance effected thereon. I/ We undertake to inform the Insurers of any material alteration to these occurring before/ during/ after completion of the Contract of Insurance.

Cooling Off Rights

You enjoy a period of 14 (Fourteen) days ("cooling-off period") from receipt of the Policy document following the inception date of the insurance agreement if taken or from the effective date of any variation thereof, during which you may rescind the agreement and provided that you have not claimed any benefit, are not in receipt of a claim made against you or reported any claim to the Insurer, the insurance agreement is annulled and you will be entitled to a refund of Premium paid.

The Insurer will give effect thereto and return premiums due to you less an administration charge within 30 (Thirty) days of the annulment.
